

# The Brambles Dog Policy

April 2011

Dear Guests,

We welcome your dog(s). But in order to provide for the health and safety of all our guests and the neighbourhood, we have to ask you to keep to the following rules.

- We can only accommodate dogs aged 9 months and older.
- A refundable deposit will be required prior to your arrival, which will be refunded by cheque the week following your departure and subject to a satisfactory inspection of The Brambles by one of the proprietors.
- Dogs must not be left unattended etc regardless of how they are secured.
- Regardless of whether the dog is in your room or in a common area, the owner is responsible for immediate cleanup and repairs of incidental damage caused by the dog. The cleanup should be thorough enough so to generate no additional work for the staff. We provide poo bags and a watering can if bitches urinate on any of the lawns, (this will protect the life of the lawn).
- Note that the village is subject to dog fouling regulations of the NNDC.
- Dogs should not be left for excessively long periods in the garden area, as this can lead to damage to the plants, lawns and fencing plus excessive dog fouling.
- Your dog is always the responsibility of yourself the owner. The owner is liable for any damage or upset caused by the dog.
- **Please note: On your arrival, we will require to see evidence such as a certificate booklet from your vet relating to your pet that all appropriate vaccinations, including flea treatment, have been regularly carried out on your dog and are up to date. We reserve the right to refuse your entry to The Brambles on failure to produce any evidence of your pets up to date vaccinations. #**
- Dogs are not allowed on any furniture and may not sleep on your bed or chairs. If you forgot to bring appropriate blankets for your dog please ask - we can help you.
- Please always make sure that your dog is clean before bringing it into the house. Dog towels are provided for your pets use.
- Dogs may not be cleaned in showers, sinks or baths.
- #We reserve the absolute right to terminate a stay or refuse entry without notice if a dog and/or its owner cause damage or inconvenience to other guests, the property or ourselves. No recompense will be given in such cases.

Thank you for your cooperation. We hope you will have an enjoyable and relaxing stay with your dog at the Brambles!
